Zultys Inc. and Communications Plus, Inc. Announce Strategic Partnership

Companies Team Up to Deliver Best-In-Class Zultys IP PBX Solution

AUSTIN, TX – October 28, 2010 – Zultys Inc., the premier developer and manufacturer of pure SIP-based Unified Communication solution for business and enterprises, today announced the formation of a strategic partnership with Communications Plus, Inc.. The companies have aligned in order to distribute and promote the popular Zultys VoIP PBX.

“Communications Plus is an excellent match,” said Neil Lichtman, CEO of Zultys. “Communications Plus always wants to provide their customers a competitive advantage while increasing their profitability. They found the solution with Zultys. They’ve demonstrated that they are a high performing organization that offers world class service to their customers.”

As a leading provider of Unified Communications solutions, Communications Plus offers an array of technology that helps their customers achieve their strategic business objectives. Now an authorized dealer for Zultys Inc. products, Communications Plus will drive SIP IP PBX sales in the region.

Zultys Inc. offers industry leading communication flexibility through powerful features [voice, IM, Email,

presence, find me–follow me, call recording, contact center, voicemail and multi location networking] designed to boost productivity, reduce complexity, ease administration, reduce costs and provide high availability. The solution has become priceless to telecommuters and remote workers.

Zultys Inc. received the 2009 Innovation Award from TMC’s Next Generation Networks as well as being named by Unified Communications magazine as a recipient of the 2008 Product of the Year Award.

ABOUT COMMUNICATIONS PLUS

Communications Plus Inc. is a Business Telephone Equipment and Service provider servicing your small to large business in the Austin, Corpus Christi, and surrounding areas. We service all new and existing Panasonic DBS, Telrad, & WIN telephone systems and voice mail.

We also provide voice and data cabling, and network services. Being an authorized SBC (Southwestern Bell) agent, we can handle all of your Telecommunication needs including local and long distance service, and Internet access custom tailored to your needs.

We are a company comprised of people who have been in business in the Austin area for over 15 years, and are committed to providing high quality voice and data services and equipment for your business needs.

ABOUT ZULTYS

Based on open standards, Zultys Inc., a Silicon Valley company founded in 2001, manufactures feature-rich Business Phone Systems that easily scale to thousands of users. Zultys makes your business needs our priority. Our solution supports MAC, Windows 32 or 64 Bit or Linux users and integrates features such as soft-phone, Find me Follow me, Presence, Secure Chat, Tele-worker support, IVR, ACD, Call Record, Fax Origination/Termination, Cell Phone Twinning and much more. Not only is our solution cost effective, but it also provides the highest energy efficiency with its compact single server all-in-one design. Zultys’ distributed architecture also helps companies maintain high availability, while being simple to install, manage and scale. For more information, visit us at www.zultys.com.
